"Have a very merry Christmas and a happy, healthy and prosperous 2015."

Hills lead the way with Cycle Safe initiative

On the same day that the Tour of Britain passed through Devizes, Hills Quarry Products wheeled out the three latest vehicles in their fleet to support the Mineral Products Association's (MPA) national Cycle Safe Campaign - which highlights the potential risk of cyclists undertaking lorries and getting too close to them at left-hand turns and roundabouts. Children and other cycle enthusiasts were given the opportunity

to sit in the cab of a lorry to understand the driver's perspective, experience visibility issues.

The products you need, close at hand

When you are using Type1 for an extension floor or decorative flint for a driveway or garden path and you need just a little more to finish the job, you don't have to travel miles to other parts of the country to collect it or wait for a delivery. Save time and just pop in to Shorncote Quarry near Cirencester and collect it.
