

Dear {COMPANY\_NAME} welcome to the latest edition of the Hills Quarry Products eNewsletter

## Hills topsoil – a first class growing medium

We are now producing a quality screened Topsoil at our Shorncote Quarry. The product is screened at 20mm and is suitable for gardens, landscaping and commercial applications. The material can either be collected or delivered to your site.

## Leroc Block - make the connection

We are delighted to be able offer for sale the innovative LeRoc Blocks with its lego style interlocking design, which offers easy, hassle free assembly with a lifting anchor recessed into it and does not require any bonding products or casting. LeRoc Blocks are the ideal solution for a range of applications including retaining walls, flood defences, aggregate bays, recycling bays, partition walls, security walls/barriers, silage clamps, traffic

management, workshop sheds, segregation areas (building sites).

## Management changes

Following the opening of the new concrete plant at the Upwood site, commercial manager Stuart Allen has restructured the operations and sales teams as follows. (New sales enquiries should still call 01793 714999):

### Concrete Operations

**Gavin Walton** becomes the business manager for the new concrete plant at Upwood and will continue to cover Shorncliffe

**Stuart Cordy** is now business manager for the Newbury and Lower Compton (Calne) sites

**Terry Newsham** has been appointed to the new position of business manager for the Woodsford (Dorchester) site.

### Concrete & Aggregate Sales

**Marcus Eltham** is responsible for concrete sales for the new Upwood plant whilst continuing to cover Shorncliffe and north of the M4.

**Richard Swatton** will remain covering south of the M4 for aggregates and concrete sales out of Lower Compton (Calne) and Newbury.

## Telephone system

As some of you may be aware we have been experiencing some teething troubles with our new telephone system. We really appreciate your business and we would like to thank you for your patience in this interim period. As a result of the current call levels we have increased our Direct Sales Executive team and now have 4 members of staff ready and waiting to take your calls.

The new DSE team consists of Steve Mead (DSE Supervisor) and his team Matthew Pope, Clare Hillier and Karl Hooper who can be contacted on 01793 714999 for all your sales enquiries.

Please call us on **01793 714999** or email **[aggregate.sales@hills-group.co.uk](mailto:aggregate.sales@hills-group.co.uk)** for more information and for a no-obligation personalised quote
