The Law and Waste Soils

Waste Soil is legally classified under 'mirror entry' (ie two possible codes). To identify which code applies the Waste Producer **must** determine:
 What hazardous substances are present, their concentrations, their Chemical Classification and whether this is above
 Hazardous Waste Thresholds.
 The code 17.05.04 cannot be legally be assigned to a waste soil until this assessment has been undertaken.

I hereby declare the information provided s correct and fully complies with The Waste (England & Wales) (Ammendment) Regulations 2012 and Our Duty of Care as the Producer of the Waste.
